Sir:

Applicants are resubmitting the Information Disclosure Statement Letter filed earlier today due to the fact that the first submission was incomplete (only page two of Applicant's letter was transmitted electronically via the Patent Office's Electronic Filing System). Applicants are not resubmitting the PTO/SB/08 form or the NPL document since that portion of the filing was complete at the time of filing the first submission.

Respectfully submitted,

Date: August 1, 2007
